Welcome to SAIE

Rowing Program

What do we offer

Located in the heart of the bustling city centre of Seville, Spain, the Spanish American Institute of International Education (SAIE) is a study abroad institution affiliated to the University of Wisconsin-Platteville since 1984.

Our programs are based around three main goals: academic excellence, cultural immersion and social integration. With the development of our new athletic programs, we are now also able to help students achieve these goals through a sports environment where they can develop their athletic abilities whilst being surrounded by the Spanish culture and people.

Our Rowing program offers high school age students (16 – 17 years old), who are rowing back home (male and female), the opportunity to study abroad and row in Seville, Spain through the summer. The students have the chance to immerse themselves in the Spanish culture, take a Spanish language course at SAIE, whilst continuing to row at an elite level under the guidance of rowing coaches with Spanish national certifications.

SAIE has reached a partnership with the rowing club, Club Nautico Sevilla, founded in 1952 in Seville to offer this program. The club currently participates in tournaments regionally, nationally and internationally.

ROWING PROGRAM REQUIREMENTS

- Open to 16-17 years old male and female students.
- Students must be rowing at their high school or club team back home.
- In the 2k Concept Rowing Ergometer test female student-athletes cannot exceed 8:00 and male student-athletes 7:00.

If you exceed these times, please contact the Program Manager, Mr Sean Chipres, at seanrc@saie.com
